This council is welcome to meet on a regular basis to discuss concerns, suggestions, or ideas for the homes. Resicare supports all opportunities for individuals and their families to voice concerns and create a better way to solve problems and come up with ideas for improvement .

We would like to welcome 6 new employees who joined our Team.

Happy 70th Birthday Derry!!

Andreas had the opportunity to volunteer at Tim Hortons! A job well done!

Great job Andreas!

Mike had the pleasure of being invited to Heritage Park to help celebrate the new, wheelchair accessible rail car and be one of its first official wheelchair riders. As you can see in the pics, the car is equipped with a solar powered wheelchair lift and can accommodate up to 8 wheelchairs which are tied down inside. Very cool

Stampede Breakfast

Resicare will be having a Bottle Drive Fundraiser in September. If you can please save your bottles, that will be greatly appreciated.

More details to follow.

Thank you everyone!

Canada Alberta Job Grant

Throughout the past year, Resicare Society of Calgary, has continued to access the Canada Alberta Job Grant to fund employee training. This is an employer-driven program open to all those working in the private and not-for-profit sector. Through this program employees are able to access training from a number of providers for one-third the normal price. The other two-thirds are covered through the Grant, which is funded by the government of Canada.

Please contact Dianne Jackson if you are interested in any training.

Emergency First Aid/CPR - Will be the responsibility of the employee to re-certify.

Alberta Food Safety Basics - Instructions have been emailed to the employees who require this training.

Health and Safety Act

The Alberta *Occupational Health and Safety* (OHS) Act establishes minimum standards for healthy and safe practices in Alberta workplaces. Changes to the OHS Act improve the OHS system to better protect workers and ensure they have the same rights and protections as other Canadian workers. These rights include:

Right to Know – This right guarantees that employees can ask questions about health and safety at work and be informed about hazards – and protections from hazards – that concern them.

Right to Participate – To participate in workplace health and safety allows employees to get involved in maintaining and improving health and safety in their own workplace.

Right to Refuse – To refuse unsafe work ensures that employees are protected from punishment or threat of punishment if they refuse to do work because of a sincere belief that work threatens their own or anyone else's health or safety.

The *Right to Participate* ensures all workers have a voice by expressing their concerns with a **Joint Work Site Health and Safety Representative**. At Resicare Society of Calgary each Group Living Home has a Health and Safety Representative working in conjunction with the management team.

Your Joint Worksites

Health and Safety Representatives are:

Sheetal Guleria – House #1

Paulina Ferdyn – House #2

Anthony Reyes – House #3

Additional Unbiased / Neutral Representatives are:

Melissa Curran - Group Living Coordinator

Jagdeep Dhindsa - Outreach Coordinator

Annamaria Jozsa - Outreach Coordinator

This list can be found posted at all Resicare Society Worksites' Bulletin Boards

More information can be found at <https://www.alberta.ca/occupational-health-safety.aspx> or by calling the **OHS Contact Centre toll free throughout Alberta 1-866-415-8690**

Resicare is a registered charity and can issue tax receipts for any donations made to the society. Any support that you are able to give is always greatly appreciated!
